The USTA QuickStart Tennis Program is an introductory eight-week program for novice tennis players who are learning the game. QuickStart was specially designed by the USTA to bring new players into tennis. The players will be in a clinic setting learning the basic strokes and playing games with a maximum of 6 players per pro. Fun is the most important aspect of this program.

Our tennis professional staff is very experienced with the latest teaching techniques. The USTA has provided us with lots of fun drills so the students are always moving and learning the basics of the game.

A second 8 week session will be offered after the first session. After the second session you would move into our adult clinic program. Tennis is a great game to enjoy for a lifetime.
