The USTA Program offers the competitive tennis player the opportunity to challenge their skills and improve their game. This program offers high speed drilling, match play, and team strategy. Half the time is spent on drilling and half on playing matches against other team members with the matches coached by one of our tennis pros. Yes, we will keep the scores of practice matches.

Official matches will be played against teams from other clubs. USTA League play format provides both singles and doubles. Our goal at the club is to be competitive in our league and contenders for districts, sectionals, and nationals each year.

The fee for the program includes the following:

- Drilling & coached match play
- USTA league registration fee
- 1/2 hour private tennis lesson per session
- End of season party
