

Junior Tennis Clinics

Fall 2010

9/9/10 - 11/24/10
(11 weeks)

Our junior program offers a wide range of choices for the beginner to the advanced player. Our goal for all levels is to have fun, learn the basics of the game, and to take their game to the next level by working hard.

Our clinics will include stroke technique, foot work drills and strategy. Each week the clinic will focus on a different topic. Our target student teacher target ratio is 5 to 1.

There will be a make-up if the class is cancelled by the club. There will be no guaranteed make-ups, refunds, or credits for missed classes. Participation in the program is strictly at players own risk. Participant or parent or legal guardian (if participant is under 18) acknowledges and accepts the risks inherent in the use of club services and facilities and voluntarily assumes the risk of injury, accident, death, loss, cost, or damage to his or her person arising from use of the club and releases the club, together with its owners, employees, and agents from all claims or liabilities. Participant certifies that he or she is in good health and has no physical limitations which would prevent participation, and will notify the club of any changes in physical condition which would affect participation.
