**16 Week Session**  
5-17-10 to 9-3-10

The USTA Program offers the competitive tennis player the opportunity to challenge their skill and improve their game. This program offers high speed drilling, supervised match play, and team strategy. USTA League play format provides both singles and doubles.

Official matches will be played against teams from other clubs. Our goal at the club is to be competitive in our league so we can be contenders for districts, sectionals, and nationals each year.

The fee for the program includes the following:

- Weekly Practices
- USTA League Registration Fee
- 1/2 hour private tennis lesson per session
- End of season party

The team line-ups will be done by one of our Tennis Professionals and the Team Captain. The fee for USTA matches is \$30 payable to the host club. Members do not pay for home matches. If you are not available for a practice, we will adjust your fee provided you notify the club prior to the start of the season.
