

MRSC Summer Mad Kids Club 2018

Tennis · Swimming · Arts & Crafts

MRSC Summer Kids Club provides a positive, safe, and fun learning experience for your young child.

Tennis lessons We teach the kids the basic skills needed to learn to play tennis. The courts, racquets, and nets have been resized and balls have been designed for each level of play. This provides a unique opportunity for younger players to be introduced to the game.

Swim lessons Kids are divided into small groups based on swimming ability. Our objective for each child is to gain confidence in the water and to progress at their own rate.

Arts & Crafts Children use their imagination and create fun art projects on our shaded deck. This is also the time when they have a snack and chat with old and new friends at Kids Club.
