# MADISON RACQUET & SWIM CLUB

## TENNIS SAFETY GUIDELINES

### Guidelines for the Tennis Courts

1. Maintain a minimum six feet social distance at all times.
2. Use hand sanitizer before entering the courts, if you accidentally touch something besides your racquet or your balls, and when leaving the courts.
3. If playing with children ensure they are adhering to safety guidelines and social distancing.
4. Wear a face mask while in the club house, restrooms and walking to the courts. It is not required to wear a mask while playing. Lockers & showers are not available.
5. Please be respectful of others health and space. Stay home if you are not feeling well, have a fever, a cough, aches or have been exposed to COVID-19.

*Our staff will act with health & safety as the top priority. However MRSC does not guarantee a virus free environment. Please use your best judgement when deciding if it's safe for you to play.*

## POOL SAFETY GUIDELINES

### Guidelines for the Pool & Deck

1. Maintain a minimum six feet social distance at all times. Maintain 12 feet on the pool deck or in the water if you are not wearing a mask.
2. Use hand sanitizer frequently including before entering the pool deck area and upon leaving or touching knobs, railings or doors.
3. It is not recommended to wear a mask while in the water as breathing through a wet mask is difficult.
4. Wear a face mask while in the club house, restrooms and walking to the courts. It is not required to wear a mask while playing. Lockers & showers are not available
5. Please be respectful of others health and space. Stay home if you are not feeling well, have a fever, a cough, aches or have been exposed to COVID-19.

*Our staff will act with health & safety as the top priority. However MRSC does not guarantee a virus free environment. Please use your best judgement when deciding if it's safe for you to swim.*

## GENERAL GUIDELINES

### Guidelines for the MRSC

1. Wear a face mask while inside the club house and maintain a minimum six feet social distance as possible.
2. Use hand sanitizer frequently. Stations are provided at each point of entry and exit.
3. Locker rooms, showers, lounge and snack bar are closed for the time being out of an abundance of caution
4. Arrive on time and depart promptly through designated doors. No gathering. Do not bring unnecessary personal items into the building.
5. Please be respectful of others health and space. Stay home if you are not feeling well, have a fever, a cough, aches or have been exposed to COVID-19.

*Our staff will act with health & safety as the top priority. However MRSC does not guarantee a virus free environment. Please use your best judgement when deciding if it's safe for you to swim.*
