COVID-19 Update and Restrictions

Schedule & availability is subject to change without notice.

The pool deck and high touch points will be cleaned every hour and the AquaDome must be vacated. A face mask is required while in the building and walking on the pool deck. It is not recommended to wear a face mask while in the water as it can be hard to breathe in a wet mask. Please maintain 12 feet of distance from others when in the water and on the deck not in a mask. Locker rooms and showers are not available. Please come in your swim suit and only bring necessary items on to the pool deck. Reservations can be made for lap lanes online or with the front desk.

Thank you for your understanding and cooperation of the new regulations. You must pass a wellness and temperature check prior to entering the pool deck.
